

GoodWe Monitoring System Portal Manual

- End User Version

Goodwe portal account has three levels – Dealer/Installer, End User and Visitors. This version of instruction is focus on the End User who has completed the WiFi connection and ready to register the account on Goodwe portal for monitoring.

1. Login link:

GoodWe Monitoring Portal: www.goodwe-power.com

2. Register account on our system.

The screenshot shows the GoodWe Monitoring System portal. The header includes the GoodWe logo and navigation links: 监测平台, Shared Stations, Demo, Service Center, Mobile App, User Manual, 中文 | ENGLISH | 한글. The main content area features the title "智慧能源管理系统" (Smart Energy Management System) and a "User Login" form. The form includes fields for Username and Password, a "Login" button, a "Register" button, a "Remember me" checkbox, and a "Forgot your password?" link.

User Register

The screenshot shows the "User Register" form. It has three tabs: "Terminal User" (selected), "Dealer/Installer", and "Visitor". Below the tabs are input fields for Username, Email, Password, and Password Confirm. At the bottom, there are "Register" and "Login" buttons.

Choose Terminal User on top for registering as End User.

Write in the Username for future logging

Write in the Email address for generation report, error warning or future updates

Write in the Password for logging use.
